

Sept. 9, 2016

Hi parents (and students),
Are you looking for electronic copies of our weekly homework? Are you curious about the math packets that have been coming home? Do you wonder what events are coming up? Check out our 4th grade website, at <http://capri4.weebly.com/>.

– Mrs. Sweeney
(ksweeney@campbellusd.org)

Let's stay in touch

Did you get an email from Remind.com that you have been added to our Room 14 account? We'll be using Remind to send out quick announcements.

I entered in the email addresses from the green paper you filled out the first week of school, but if you haven't gotten anything, you can add yourself with our class code: **room14cl**.

You can also reach me via email (ksweeney@campbellusd.org) or with a note sent with your child.

Scholastic book orders

I have already submitted our September book order (thanks to those who ordered), but our class code will be good for the whole year: **Q7Y6Z**.

We start on time!

Please make sure your child is coming to school on time. As soon as the second bell rings, at 7:55 a.m., we start our math lesson.

Thank you!

Thanks for all the donations of binder paper, pencils, tissue, and other supplies. We'll definitely put them to good use!
